

**Please join The Living Miracles and The  
ADAMHS Board of Cuyahoga County as we  
*CELEBRATE RECOVERY THROUGH  
THE ARTS!***

**Many artistic forms can contribute to the recovery and healing process from mental illness and drug and alcohol addiction. This event will feature a variety of art from consumers of mental health and/or drug addiction services where consumers can offer their works for purchase. We also invite consumers to come share their poetry, music and dance. We will feature an open mic forum where people can perform and show case their talents and share their inspiration and stories.**

**If you are interested in submitting your artwork or would like to participate in the open mic forum, please contact The Living Miracles at: 216-221-6323 or email Jennifer Kruse at: [Jkruse@thelivingmiracles.org](mailto:Jkruse@thelivingmiracles.org)**
