The ADAMHS Board uses the Advocacy Action Agenda to develop messages to legislators, state agencies, policy makers, clients, families, providers and the general public to advance important behavioral health issues.

Goals:
• Support efforts to ensure opioid lawsuit settlement funding is utilized to support an ongoing continuum of care for individuals and families living with substance use disorders including prevention, early intervention, harm reduction, treatment and recovery supports services.
• Support trauma-informed resources and care for peer support specialists, recovery coaches, and first responders to reduce the effects of secondary trauma.
• Advocate for OhioMHAS to accept SFY2021 (begins July, 2020) Capital Plan recommendations made by the ADAMHS Board.
• Include community stakeholders in development of the Strategic Plan.
• Utilize needs assessment to inform decision making for 2021 funding recommendations.
• Continue collaboration with MetroHealth to improve access and quality of care for persons in the jail that have a mental illness and/or substance use disorders and evoke a change in culture to reduce stigma.
• Continue to partner with the County on creating a diversion center and providing recommendations on best practices for behavioral healthcare.
• Support continued Crisis Intervention Training for Officers throughout Cuyahoga County.
• Support efforts to combat the evolving fentanyl/opioid epidemic in Cuyahoga County and the State of Ohio and prepare for historical trend of stimulant abuse following such crises.
• Support efforts to increase the number of practitioners available to provide mental health and addiction services, including MAT and psychiatric services for both youth and adults and assist provider network in recruiting staff.
• Expand prevention programs and early intervention initiatives to reduce addictions, mental illness and suicide in Cuyahoga County.
• Support efforts to increase access to high-quality housing for individuals living with and recovering from mental illness and addictions.
• Support prevention activities, public awareness efforts and training to reduce the stigma of mental illness and/or addictions and educate the community by featuring client personal recovery success stories.
• Develop a Crisis Intervention Policy for the community behavioral health system detailing what Crisis Intervention Team (CIT) officers can expect from our provider network.
• Support efforts to increase the availability of peer supporters for both mental health and addictions in Cuyahoga County.
• Support efforts to address increasing suicide rates through suicide prevention education, awareness and training.
• Support efforts to increase employment for people living with mental illness and/or addictions, including certified Recovery Coaches, with the Board provider agencies.
• Support efforts to ensure that culturally competent programs are in place to address health equity and disparities in Cuyahoga County.
• Support and evaluate state and federal legislation to determine if it benefits individuals and families living with mental illness and/or addictions and communicate the Board's position to the community.
• Develop partnerships with stakeholders to increase access to services while developing a community provider network that is responsive and available 24-hours per day.
• Support efforts to position the ADAMHS Board as the authority on behavioral health issues and convener of stakeholders to address the local mental health and addiction recovery needs of the community, including the continuation of the Addiction Recovery Advocacy Meetings.
• Support efforts to achieve dedicated local funding for mental health and addiction support services by examining opportunities for a dedicated ADAMHS Board of Cuyahoga County Mental Health and Addiction Recovery Services levy.
• Seek new funding from various sources (grants, corporate partnerships, community partners, etc.) for programming, prevention and education.
• Support efforts that address barriers and access to treatment and recovery through innovation and continuity of care.
