

Please join The Living Miracles as we
***CELEBRATE OUR 2ND ANNUAL
RECOVERY THROUGH THE ARTS EVENT!***

Many artistic forms can contribute to the recovery and healing process from mental illness and drug and alcohol addiction. This event will feature a variety of art from consumers of mental health services where consumers can offer their works for purchase. We also invite peers to come share their poetry, music and dance. We will feature an open mic forum where people can perform and show their talents as they share their inspiration and stories.

H O P E
HOLD ON, PAIN ENDS.

If you are interested in submitting your artwork or would like to participate in the open mic forum, please contact The Living Miracles at: 216-221-6323 or email Jennifer Kruse at: Jkruse@thelivingmiracles.org

Art pieces are limited to three per artist, and you must register with The Living Miracles by May 20th as space is limited.
