

# Problem Gambling Symposium

## ADVANCING AWARENESS, PREVENTION & TREATMENT IN OUR COMMUNITY

FACT: Problem Gamblers are 20 times more likely to attempt suicide and twice as likely to file bankruptcy.

Friday, June 19

8:30 a.m. to 3:30 p.m.

Benjamin Rose Institute on Aging  
11890 Fairhill Road, Cleveland

*Hosted by the Cuyahoga County Problem Gambling Coalition*

### Goals:

1. Raise awareness of problem gambling in our community
2. Offer clinical trainings to increase problem gambling treatment capacity locally
3. Provide individuals and families with the tools and resources to respond to problem gambling in their life

CEUs and RCHs are available for social workers, counselors and chemical dependency professionals.

Speakers will include clinical experts, people who have been affected by problem gambling, problem gambling prevention professionals and representatives from the gaming industry.

The cost is \$10.00. Click here or use this link:
