

## FAMILY TRANSPORTATION TOWER CITY – SOUTHGATE - NBH

Northcoast Behavioral Healthcare is in the final stages of consolidating the Cleveland facility to the Northfield site (1756 Sagamore Road). This will be completed by June 30, 2011. We will continue to provide the same high quality care and services to our patients, family members and significant others. In an effort to maintain a strong connection with families and others, we will be providing transportation via a shuttle service to and from the Northfield Campus.
