- Only women and girls are victims.
- Trafficking always involves moving or taking a person somewhere.
- Traffickers are people the victim doesn't know.
- •Only "certain types" of people get trafficked.

# The Reality Is...

- Human Trafficking is making someone perform some kind of labor or service (including a sex act) through *Force, Fraud, or Coercion* in exchange for anything of value-money, drugs, a place to sleep, food, belonging, status, etc.
  - Force- using restraints, beatings, sexual assaults, physical strength
  - Fraud-lies, false promises, saying they are
    - someone that they are not.
  - Coercion-threats, blackmail, taking IDs, making the person feel trapped
