As part of the ADAMHS Board's initiative to expand CIT training in the county and remove financial barriers to training for Police Departments, departments will receive reimbursement in the amount of \$150 per officer per eight hours of completed training upon course completion. This incentive is also available for dispatch personnel. Upon completion of the training, officers will receive a certificate of attendance.

**Space is limited to 22 officers for CIT Trainings.
This training is for Cuyahoga County Law Enforcement personnel only.**
